

The following cover for POLYHEDRAL DUNGEON has been created as a full-sized 300 dpi PDF with bleed, so it will be oversized when you print it out. This has been done to allow you to crop as needed.

If you want to work with a straight image, simply export the next page as an image and manipulate it as needed.

# INTERESTED IN SOME CLASSIC OLD SCHOOL ADVENTURING WITH A MODERN RULES SET?

## POLYHEDRAL DUNGEON

BASIC EDITION

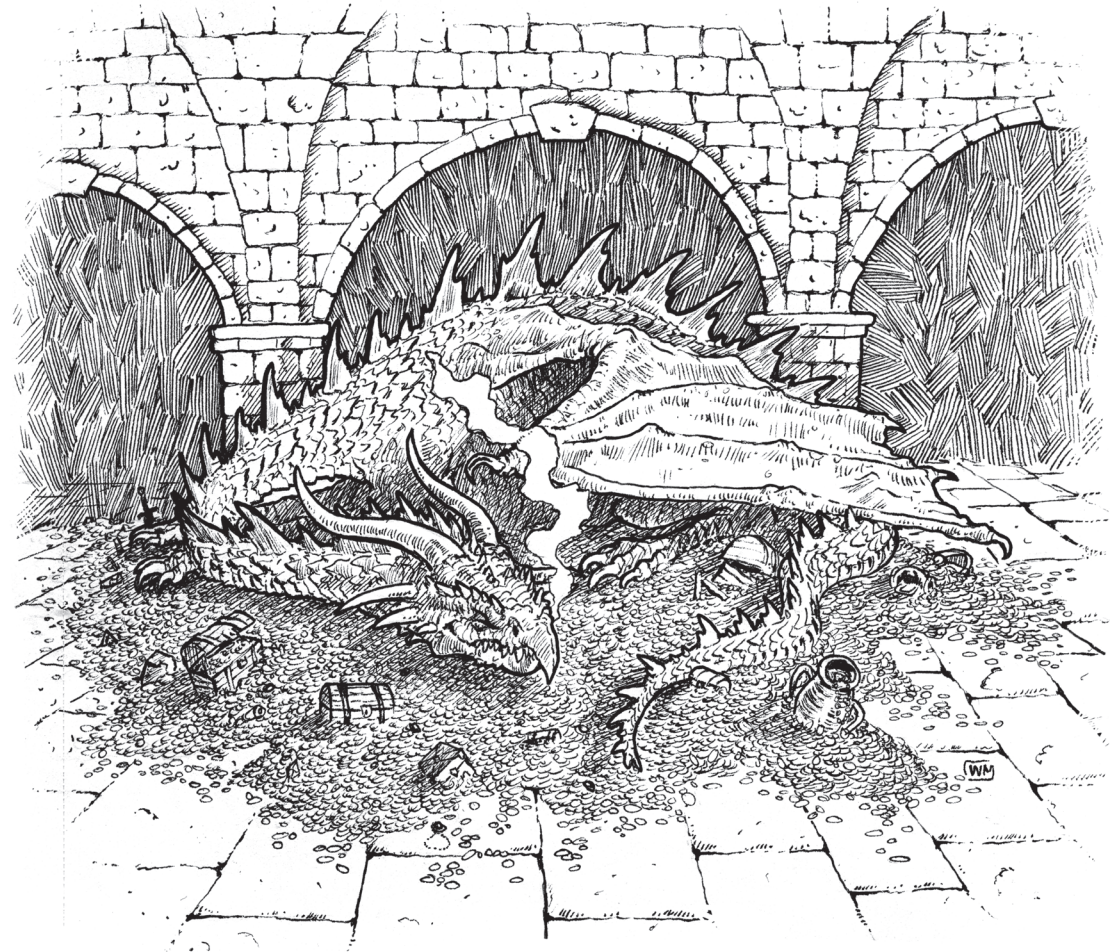

- ◇ Create new characters for play in about 5-10 minutes.
- ◇ Choose from the classic old school character tropes, but with slight twists.
- ◇ Play classic dungeon crawls with a flexible unified system that's easy to learn and extend - make up your own content, or use any of the official **Expansions**, including **The Advanced Rules** which provides many new options for play, **The Book of Monsters** which expands and explores the **Monsters** in the game, **The Book of Loot** for more complete treasure and loot options, including many unique items, and **The Book of Magic**, which expands **Talents** and rules for magical and divine characters.
- ◇ Designed for quick pick-up play as well as to handle large groups of players who have little experience in tabletop roleplaying - a perfect beginner's game and still fun for experts.
- ◇ Pocket-sized, so that you can take it wherever you're going.
- ◇ Includes dice printed in the page margins in case you forget your own, or if you need to make a secret roll as the Judge!
- ◇ Includes a Giant Badger!
